Dedication

To the memory of the six Gold Star members of Marion High School, Ashton Morrow Baldwin, Byron Webster Thornburg, William Russel Van Valer, William Abner Cromwell, Austin Lee Loer and John Henry Kuntz, we, the Senior Class of 1935, dedicate this edition of the Cactus.

We wish to pay tribute in this humble way to these men, who, when the "Call to Arms" was made, responded patriotically and sacrificed everything in order that they might do their part in securing the peace and security of the world so that our own cherished flag might continue to wave over "The Land of the Free and the Home of the Brave."

Foreword

*An Enchanting Scene in
Grant County*

As a memoir to the three years spent in Marion High School we present this, the seventeenth edition of the Cactus.

If, several years after graduation, you turn through the pages of this book and are able to recall the many eventful hours spent in Marion High School, our one aim and purpose will have been fulfilled in giving to you—The Cactus.

In Memoriam

We pause in respect to the memory of Miss Dorothy Lynch, a member of the Marion High School faculty for sixteen years. Miss Lynch died following an emergency operation on February twenty-fifth.

With the death of "Dolly" Lynch, Marion High School basketball teams lost one of their most loyal supporters. In victory or defeat she was back of the team one-hundred percent. She was always ready to do her best for the boys in the face of any criticism. She was really a true sportsman in every sense of the word and no better exemplification of "School Spirit" could be found than that which was displayed by her.

ELBERT E. DAY

Elbert E. Day, superintendent of the Marion city schools has met, without flinching, the almost insurmountable financial problems, similar to those which have confronted the educational systems of every city of the nation, during these years of economic uncertainty. With his typical genius, he has solved these problems and maintained for Marion a city school system of superior quality.

JOHN W. KENDALL

Here's a toast to John Wesley Kendall, who, for the past fifteen years, has successfully guided the affairs of Marion High School through tranquility and controversy. Through his qualities as an educator, he has been able to instill in the minds of the personnel of this school the true value of character building and citizenship. A truer and more profound example of these qualities could not be found elsewhere than in the principal of this school.

MAYO D. FOLAND

Mayo D. Foland, vocational director of the Marion City Schools, holds a place in our school system which could not easily be filled. His work in keeping school property in good condition is invaluable. Reliable in every sense of the word, he is one of the school's outstanding character builders and his ability as an executive is of the highest type. His countless friends, both in school and in the outside community, are evidence of his unquenchable enthusiasm and his magnetic personality.

SENIORS HAVE MANY ACTIVITIES

The second week of September, 1932, was an eventful one in the lives of scores of sophomores who were being initiated into the mysteries of Marion High School. Bewildered by the dignity of the upper-classmen and faced with the necessity of becoming acquainted with literally hundreds of strangers, these newcomers lost no time in making themselves known.

After a spirited pre-election campaign, William Roessler was chosen by these youngsters to direct their destinies during the year. After a successful sophomore year, these same students, feeling the dignity of their position as an outstanding Junior class, chose a steady, dependable leader in the person of their new president, Delbert Trueman, who led the class through an enterprising year.

The senior election, for which the campaigning was most extensive and original, terminated in the choice of Joseph Davis as president; Russell Carper as vice-president; Helen Nelson as secretary; and Charles Conrads as treasurer. The class sponsor for the year was Miss Gladys Lewis, whose capable direction for senior activities was invaluable in making the year so successful.

The first senior social activity was a skating party at Van Buren, held early in the first semester. Following this the class led in organization, for work on the Cactus Frolic and the annual Christmas drive. February 12 one of the most successful functions in the history of the class was held, a Val-Lincoln-Tine party, at which many novel entertainment and decoration ideas were carried out. Betty Cochrane, heading the decora-

tion committee, made the gymnasium into a lovely ball-room, decorating the walls with a number of comic valentines, representing members of the class. Elaborate lighting effects were carried out with the aid of three large heart-shaped chandeliers. Harwood Badger's orchestra provided music for dancing and an excellent floor-show was a feature of the evening. Other entertainment, including ping-pong and cards, was provided for those who did not care to dance. The "eats" committee, under the direction of Norma Fite, provided refreshments throughout the evening to those attending.

Showing its usual spirit of fine cooperation, the class aided greatly in making the Easter Parade the fine success that it was.

The executive committee was composed of Kathryn Bowman, Louise Canten, Russel Carper, Betty Cochrane, Anabel Coffin, Margaret Connors, Charles Conrads, Jack Davis, Ralph Erlewine, Norma Fite, Frank Gartland, Martha Jane Griffith, Deborah Hale, William Hooper, Alnaeden Jones, Wilma Lankford, Robert Miller, Helen Nelson, Robert Parker, William Roessler, Paul Stewart, George Thomas, Mary Ellen Thornburg, and Elouise Wiley. This group made plans for all the final Senior activities.

Climaxing three years of work and play came Senior week with its senior program, the class picnic at the Izaak Walton League Camp, baccalaureate service and commencement, that goal which seemed so far away to those former sophomores but which ended such a speedy and eventful three years. The final senior activity was a post-commencement dance.

SURVEY HAS VERY SUCCESSFUL YEAR UNDER NEW PLAN OF ORGANIZATION

Being without the aid of a journalism instructor or department this year, the staff was met with the problem of organization in such a manner that the work on the paper could be carried on efficiently. This was done through the creation of the Journalism Club. At its initial meeting in November, the following officers were elected: president, Deborah Hale; vice-president, James Murphy; secretary, Barbara Butler; and treasurer, Jack Gelder. All members of the Survey staff were eligible to join the club. A record was kept of the journalistic activities of each member, thereby inducing regular and better work.

During the first semester, no official editor of the paper was appointed, the work being done largely by Deborah Hale and Paul Stewart. At the beginning of the second semester, however, Deborah Hale received the appointment and continued in that position for the remaining portion

of the year. James Murphy, sports editor, wrote the sports columns, Hardwood Hash, From the Sidelines, and Cinders and Bunkers. Elmer Smith, Richard Mason, and Jack Gelder assisted James in writing the sports articles. Ruth Resneck was feature editor for the year, and Grace Anne Smith was exchange editor.

William Lugar headed the circulation department of the paper and was assisted by Ralph Erlewine during the second semester. Harold Wittcoff was business manager. For the first time in the history of the paper, two issues were made in one day, the first, issued at noon, being an April Fool edition and the second, distributed at the close of school, being the regular paper. Both were three column papers.

The staff this year was much larger than usual. The first semester staff included about forty members and was increased to nearly sixty at midterm.

MARION SENDS DELEGATES TO THIRTEENTH ANNUAL PRESS CONVENTION

Suggestions intended to be helpful to high school students engaged in journalistic work were presented and developed at Franklin College, Franklin, Indiana, October 18 and 19 at the thirteenth annual convention of the Indiana High School Press Association. Marion High School was represented by Miss Mary Prickett, Deborah Hale, B. H. Penrod, Paul T. Stewart and Harold Wittcoff. William Hooper, Frank Gartland, Robert Parker and Miss Gladys Lewis attended some of the Saturday sessions.

Addresses by "Dusty" Miller, Ohio newspaper editor, and Charles A. Wells, world traveler, cartoonist and newspaper writer, were features of the convention. Mr. Wells was the principal speaker at the preceding convention and met with such popularity that he was secured again. He, having traveled extensively in Russia and India, gave an interesting conception of the political and economic conditions in these countries. He emphasized the points he made with vivid cartoons, or chalk talks.

On Friday, the convention was organized into classes. These classes were instructed in journalism work by experienced writers, including persons actively engaged in the work over various parts of the state. Mr. B. H. Penrod, printing instructor of Marion High School, conducted classes in advertising for weekly papers and yearbooks.

Friday evening, an achievement banquet was held in the college gymnasium. Awards were presented to the different schools on the merits of their newspapers and annuals. Marion High School's yearbook was awarded the all state superior rating in its division. This rating is the highest that may be obtained. The Survey received second place in the newspaper division.

The conventions of the Indiana High School Press Association rank high among state conventions of the nation. The faculty and student body of Franklin College are excellent hosts, and Mr. R. E. Blackwell plans the programs most efficiently. Marion High School has sent delegates for thirteen years.

ZONTA GIRL TEA SERVICE

Activities of the Girl Reserve Club this year did not get under way until the first of November when a new sponsor, Miss Florence Heck, was appointed. Starting with a tea for the new girls at the Y. W. C. A. activities followed one another closely until the end of the semester, coming to a climax with a Radio Party. During the course of the first semester, Miss Frances Overman at the Y. W. C. A. became the Girl Reserve Secretary.

At the beginning of the second semester, the club adopted a flower garden theme to carry through the remaining programs. This theme was effectively used to make the program colorful and continuous. One of the high points of the season was the second annual Girl Reserve Day held at midterm for the purpose of launching the mid-semester membership drive.

A general committee meeting in the form of a waffle supper was held at the Y.W.C.A. The finance committee sponsored this meeting, besides sponsoring two rummage sales they held for the purpose of raising funds. Liberta Stephenson was general chairman of the Spring Party the club held during the latter part of March. The main feature of the event was dancing to the music of Earl Burnside's orchestra.

The climax of the year's activities was the annual Mother-Daughter Banquet in the high school cafeteria on May 17. Mrs. W. T. Arn-

RESERVES GIVE TO HIGH SCHOOL

old was the main speaker, and the installation of the officers for next year was a feature of the program.

For the past two years, the club has been organized with committees in order to make it easier for the sponsors. Under the new regime, the cabinet consists of the four officers and seven committee chairmen. The sponsors of the committees meet with the cabinet at the first of each month to make plans for the ensuing month. The faculty sponsors were: Miss Florence Heck, social; Miss Elizabeth Brownlee, program; Miss Mary Middleton, finance; Miss Mildred Aveline, music; Miss Jane Rhue, sports; Miss Gladys Neal, publicity; Miss Carolyn Wilhite, service; and Miss Ethel Renbarger, membership.

The committees and their chairmen were as follows: sports, Ruth Resneck; social, Glendora Lemon; membership, Analdeen Jones; finance, Barbara Butler; program, Betty Cochrane; music, Marjorie Starrett; service, Helen Nelson, and publicity Martha Jane Griffith.

The officers for the past year were: Deborah Hale, president; Analdeen Jones, vice-president; Anabel Coffin, secretary; and Liberta Stephenson, treasurer.

The officers for next year are: president, Liberta Stephenson; vice-president, Jacqueline Harrold; secretary, Alta Smith; and treasurer, Lois Gregg.

HI-Y ORGANIZATION HOLDS SEVERAL SUCCESSFUL EVENTS DURING YEAR

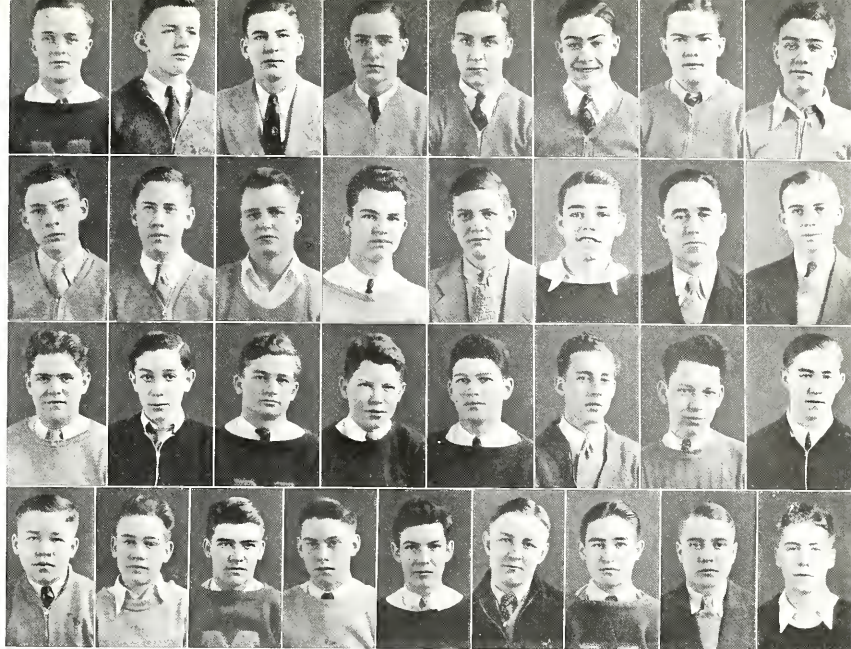

One of the outstanding organizations in Marion High School is the Hi-Y Club. The purpose is to promote clean sports, clean living, and clean speech.

Each year the club holds several different activities and is active in school affairs. The club has sponsored the check room at the Cactus Frolic and Easter Parade for the past several years. Robert Horner was chairman of the cloak room committee this year and was assisted by the following persons: Allan Dreyer, Franklin Long, Charles

Burnside, Edward Black, Tony Roskin, Paul Maggart, Gardner Thomas, Jr., Joseph Stuart, Glenn Shook, Philip Winchell, and Donald Camp.

During the first semester of this year the club held many different events, the outstanding of which was the Father and Son banquet. This affair was attended by about fifty persons and a very enjoyable program was given.

Several members attended the Older Boys' Conference which was held at Fairmount on April 1. Those attending were George Thomas, Paul

This year V. V. Smith was elected sponsor of the club and has been instrumental in making the year a success.

Each semester prominent men in various businesses are invited to speak before the club and many new and useful suggestions are offered by them.

At the beginning of the new semester officers were elected and plans laid for the coming months. One of the main events of the second term was the Pre-Easter party held at the Y.W.C.A. This

party was an invitational affair with nearly forty couples attending.

In May the annual Mother and Son banquet was held to honor the mothers of the club members. A very interesting program was presented and the decorations were carried out in keeping with the occasion.

Officers of the club are elected at the beginning of each semester. The officers elected for the first part of the year were: Jack Davis, president; John Fox, vice-president; Harry Hamilton, secretary; William B. Blake, treasurer. Officers for the second semester were: George L. Thomas, president; Robert Parker, vice-president; Dale Trueman, secretary; Addis Marshall, treasurer.

KIWANIS CLUB PRESENTS AWARDS

Robert Grant

Georgia Bailey

Awards for diligence, ability, and achievement in scholastic lines are made by the local Kiwanis Club annually in the form of gold medals. These are presented to the eleven seniors having the highest averages of their grades while in Marion High School. The person with the highest average receives a medal containing a diamond set, with the medal for the second highest average having a ruby set.

Annabel Van Winkle

Inez Heal

K. B. F.

Mary Butler

WINNERS

Evelyn Davis

"Kiwanis Builds Forever" is the slogan set forth by the Kiwanis group, hence these awards are known as the K.B.F. awards. These were presented for the first time in the form of money in 1923. Later the amount was invested in medals and presented to the students in that form. Until two years ago, Principal John W. Kendall awarded these medals at commencement. In 1933 they were presented by the members of the Kiwanis Club at a meeting in the high school auditorium. Last year, this performance was repeated.

Mary Jane George

William Weser

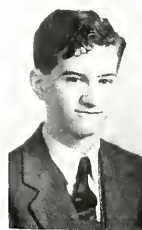

Florence Fisher

The meaning of these awards to the student body and to those receiving them is an inspiration. They provide a goal toward which a student may strive, and, after having reached it, attain the admiration of the school and the realization of being able to accomplish a difficult but worthy task.

Richard Hamilton

John Hall

Last year the winner of the diamond medal was Robert Grant. Georgia Bailey received the ruby medal. Other winners were as follows: Annabel Van Winkle, Inez Heal, Mary Butler, Evelyn Davis, Mary Jane George, William Weser, Florence Fisher, Richard Hamilton and John Hall.

DEBATE TEAMS MAKE FAVORABLE SHOWING IN SEVERAL MEETS THIS YEAR

Climaxing a most successful season, the Marion High School debate squad, coached by Miss Mary Prickett, English and dramatic teacher, was runnerup in the district meet. This year the negative team did not lose any of its debates and the affirmative but one. The negative team of Marion defeated Frankfort, state winner, and Lagro, district winner, in regular season debates.

The question for debate was: "Resolved that the Federal Government should adopt the policy of equalizing educational opportunity throughout the nation by means of annual grants to the several states for both elementary and secondary education."

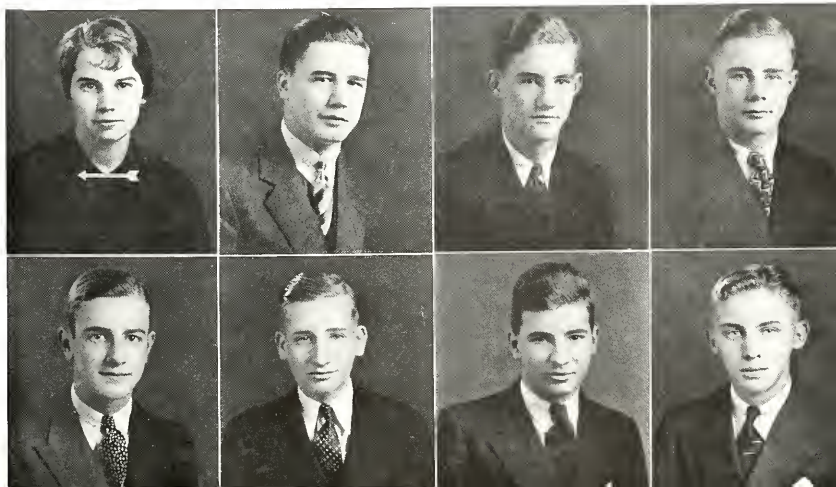

One of the outstanding meets of the year was the debate with the De Pauw University freshman team which the Marion team defeated. Nine members attended the debate conference held at Purdue University early in the season.

Among the teams met by the Marion team were: Amboy, Wabash, Lagro, Logansport, Frankfort, North Side of Fort Wayne, Jefferson of Lafayette, Portland, Eaton and Anderson.

Members of the affirmative team were: Jack Davis, Frank Gartland, Ralph Erlewine, Harold Wittcoff, and George Milford. Members of the negative team were: Robert Parker, William Hooper, and Ralph Erlewine.

SPANISH CLUB ONE OF THE MOST ACTIVE ORGANIZATIONS IN HIGH SCHOOL

With its organization meeting in the form of a weiner roast held October 22 at Penrod's Park, the Spanish Club began a highly successful year. The group chose as its leaders, Elta Mae Schultz, president; Juanita Shugart, secretary; and Betty Wellman, treasurer.

The purpose of the club, as stated in the preamble of its constitution, is "To encourage the study of Spanish and to foster better understanding among the Spanish Classes," and truly it seems that this aim has been carried out in each of the several meetings held by the organization this year.

Under the very able direction of its sponsor, Miss Helen Wortman, Spanish instructor, several social events were held, all of them attesting to the originality and "pep" of the members. At one meeting the club was entertained with a travel-talk by William Broughman, M. H. S. alumnus, describing his trip to Yucatan. A Christmas party, a chili supper, and finally a spring picnic were included in the club's activities.

During the second semester two clever plays, "Cinderella" and "El Medico Infortunado" were given in Spanish by the club members for the entertainment of the faculty and student body during a convocation period. Cast for "Cinderella" included: Dotty Krinn, Wilbur Hillsamer, Marion Neal, Arthur Shrock, John Prichard, Doris Davis, Dorothy Davis, Marijane Miller, Wilma Craig, Richard Straughn, Mary Ellen Thornburg, George L. Thomas, Bettie Wellman, William Hooper, Liberta Stephenson, William Roessler. The cast for "El Medico Infortunado" was made up of the following persons: Elwood Mickel, Lawrence Perkins, and Mary Ellen Thornburg.

In the line of service, work done by the organization was invaluable. In contributing to the success of the Cactus Frolic the club sponsored bingo and fortune telling.

For the past three years there has been no Spanish Club organized and the members and sponsor are to be congratulated on the success of their undertaking.

FRENCH CLUB HOLDS MANY MEETINGS DURING SCHOOL YEAR

Le Cercle Francais, Marion High School's French Club has concluded a very active year, being one of the outstanding organizations of the school. The club was organized seventeen years ago. Its primary purpose is to promote a higher appreciation of French.

At each of the six social meetings, French plays were presented and the members conversed mostly in French. Songs and games in the language were introduced to continue the French motif.

At the Cactus Frolic, the group, under the sponsorship of Miss Elizabeth Brownlee, presented Ralph Erlewine in a "Black Magic" show for the entertainment of the spectators and this attraction proved one of the most popular at the affair.

At an organization meeting the following officers were elected to direct the club activities for

the year: Betty Cochrane, president; Betty Gormley, vice-president; Bernita Barley, secretary; and Suzanne Wilkinon, treasurer. It was largely through the efforts of these officers and the sponsor that the year's work has been so successful.

An outstanding meeting was in the form of a clever party held April 22 at the Indiana General Service Club rooms. At this affair the French 4 students presented several scenes from Jean Valjean in French and the members of the first year class gave a group of stories and songs. Included on the program were Suzanne Wilkinson, Virginia Ferguson, Bernita Barley, Dorrice Parker, Ruth Reed, Mary Jean Padgett, and Maxine Cook.

The annual May Breakfast, a tradition with the Le Cercle Francais was held at the home of Miss Elizabeth Brownlee, sponsor, and was one of the high spots of their social season.

CLUB PROMOTES GREATER APPRECIATION OF ART WORK IN HIGH SCHOOL

Art Club organized this year under the leadership of Ward Veach. The purpose of this group is to provide social interest among the art students and to provide a definite organization for assisting in art and poster work which is so much in demand among the various organizations of the school.

This group was also instrumental in obtaining interesting exhibits from Indianapolis and Chicago this year. The exhibit from Indianapolis was an international exhibit of prints that was unique in character, being of modernistic and commercial art, a type with which the ordinary student has little or no contact.

A regular feature of the group is the State Parent-Teachers' Poster Contest. A large number of the students taking art entered the contest, the

subject developed by the entrants being "Character Development Through Hobbies."

The activities of the Art Club also included parties. During the first semester, the club held a party at which the development of kodak pictures was explained and demonstrated. Early in the year, the group held a party and banquet in the cafeteria. Entertainment was in the form of games and contests, a number of prizes being given to those who excelled.

In April, the members of the club were the guests of Mr. Ralph Roessler at his jewelry store. Mr. Roessler explained and displayed various sorts of interesting pottery.

Officers of the club for the past year were as follows: president, Ward Veach; vice-president, William Doyle; secretary, Margaret Ann Stone; and treasurer, Robert Miller. Miss Grace Cleveland, art instructor, was sponsor of the club.

NEWLY ORGANIZED SCIENCE CLUB SPONSORS MANY WORTHWHILE EVENTS

The Science Club, one of Marion High School's newest organizations, was formed at the beginning of the second semester. The members selected Richard Schils as president; Keith Smith as vice-president; and Liberta Stephenson as secretary-treasurer, to lead the club's activities for the year.

Open to all students interested in science, there is a roster of approximately 50 members. The membership of the club, as organized, is composed of students of the three branches of science taught in Marion High School—Physics, Chemistry, and Biology. Under the capable direction of the science teachers, Mrs. Pauline Mayhugh, Mr. Omar H. Blossom, and Mr. John H. Link, to whom much credit for the success of the new venture is due, each meeting proved to be of great value in presenting to the members many of the phenomena of science.

At two assembly programs, members of the three departments of the club, entertained the

faculty and student body with interesting demonstrations pertaining to the work being carried on in their respective courses.

Several social events were sponsored by the club, among them a banquet held in the high school cafeteria.

The group has as its ultimate aim to affiliate with the Junior Academy of Science, an organization of the various science clubs throughout the state.

The March meeting was an outstanding one in the year's programs. The affair was held in the Biology room of the high school and members of the Science Club from Marion College were the guests of the high school students. Speaker for the evening was Dr. Merrill Davis, Marion physician, who gave a very interesting and instructive talk, "The Setting of Bone Fracture." He illustrated his speech with X-ray pictures which proved to be of great interest to the members and guests present.

LATIN CLUB IS POPULAR IN SCHOOL LIFE OF MARION HIGH

This was an auspicious year for the Latin Club under the sponsorship of Miss Gladys Neal, Latin instructor. At the first meeting, the members of the club elected the following officers: consuls, Frank Gartland and William Blake; aediles, Barbara Butler, Jerry Torrance, and William Lugar; quaestors, Jessamine King and Roberta Meguiar.

Besides having three regular meetings each semester, the club took an active part in the Cactus Frolic; gave a program before the general assembly; and held a picnic in the spring for the entire department.

The programs for the regular meetings included a broadcast from Rome, entertainment by the nine Muses, a visit from a number of the major deities, and the annual May breakfast. A Roman Theatre was sponsored by the club at the Cactus Frolic featuring Shirley Temple and an Infantry Parade, which was a series of baby pictures of prominent people in the city and in the school.

This was an exceptionally popular feature of the Frolic.

For the general assembly, the tragic story of Pyramus and Thisbe was staged by the Virgil class, Richard Mason being Pyramus and Roberta Meguiar being Thisbe. This tragedy was presented in burlesque form with students acting as the properties. The other classes presented at the same time a derivative stunt with suitable song and sentiment. This stunt vividly brought out the large number of English words which have been adapted from the Latin language.

Under Miss Neal, the Latin Club has become one of the most popular clubs in high school. Although it has a restricted membership, its attendance ranks about the highest of the extra-curricular organizations. To be eligible students must be taking Latin and have a grade of above eighty-five percent with the exception of the seniors. All seniors taking Latin are permitted to join.

BOOSTER CLUB PROMOTES SCHOOL SPIRIT FOR ATHLETIC EVENTS

The Booster Committee, organized last year for the first time, continued furthering its purpose of creating greater interest in school athletics this year under the able direction of Mr. V. V. Smith. This committee has done an invaluable piece of work in the line of spurring school spirit by inciting the enthusiasm of the students for the athletic enterprises undertaken by the school.

This committee assisted in the selection of the yell leaders for the year by having the student body choose the most popular of a number of nominees. Those selected were Charles Hatton, Glenn Shook, Joe Stuart, and William Lugar. The group, with the cooperation of the Marion "M" Club, also provided for the costumes. These consisted of purple and gold satin shirts, made last year by the homemaking department, and white duck trousers.

One of the most outstanding displays of school spirit during the course of the year was the trip to Wabash on a special train. This first attempt at securing an especially large crowd at out of town games was a genuine success, the train being filled with hilarious students and townspeople.

Another activity of the Booster Committee was the distribution of purple and gold ties. This was a portion of the successful attempt to make a display of school colors at the games. The art department furthered this project by making purple and gold letters, streamers, and various other paraphernalia to be worn at the games.

The spirit encouraged by the Booster Committee has been received enthusiastically by the student body. The fine spirit shown at athletic events is ample proof of the fact. This spirit continued from the ever popular football and basketball season to the spring events of track, golf and tennis, and did much toward making Marion's athletic season so successful.

Members of the Booster Committee this year included the following students with V. V. Smith as sponsor: Joe Davis, Jack Gelder, Paul Hillsamer, Charles Dillon, Arlyne Drook, Jerry Torrance, Mary Jane Hawkins, Charles Hatton, Glenn Shook, Joe Stuart, LaVonne Leech, and William Lugar.

GLEE CLUBS PRESENT PROGRAMS AT VARIOUS CONVOCATIONS AND SCHOOL AFFAIRS

With a combined membership of eighty in the Girls' and Boys' Glee Clubs these two organizations, under the direction of Miss Louise Craft, were a source of ever-increasing enjoyment and profit to their members. These organizations rank among the most popular of the elective courses in Marion High School.

A large repertoire of semi-classical music was mastered by both groups and from this, selections were made for use on the Thanksgiving and Christmas programs, presented for the faculty and student body.

The Boys' Glee Club took an active part in the orientation programs for the new students at the mid-semester and during three programs, solos by members of both groups were featured.

For the second year, members of both clubs participated in the district solo contest sponsored on April 6 by Indiana University. Entrants from Marion were: Ruth Reed, Ruth Hood, Robylee

Copeland, Eugene Norman, Charles Colbert, and Winston Hoggatt. The winner from Marion was Winston Hoggatt, bass, whose success made him eligible for entry in the state solo contest held at Bloomington, under the auspices of the extension division of Indiana University (which he won on April 21).

During May Music Week the Glee Clubs held the center of the stage with the presentation of Frederick Cowen's beautiful cantata, "The Rose Maiden." All solo parts were sung by outstanding vocalists of the organizations. Its production was appraised by critics as being most unusual.

The final appearance of the two clubs was at Baccalaureate service in the high school auditorium. Senior Glee Club members sang at the Commencement exercises.

Accompanists were Leah Hays for the Girls' Glee Club and Miss Craft for the Boys' Glee Club.

MARION HIGH SCHOOL BAND TAKES PART IN MANY SCHOOL AND CIVIC ACTIVITIES

In spite of the loss by graduation last spring of a large number of the members of the band, its director, Lloyd Dac Jones, has succeeded in making the organization one which is outstanding in state music affairs.

At the national band contest held at Des Moines, Iowa, last June, a large percentage of the entrants from Marion High School were successful. They include: Junior Graham, first division, E flat clarinet; Vinton Mack, second division, baritone; a cornet trio composed of Paull McCoy Robert Parker, and Cecil Oatess, first division; Paull McCoy, second division, cornet; Martha Jane Griffith, second division, piccolo; Roger Riley, fourth division, saxophone. The first division was rated as superior, second division, very good, and third division, good.

Never before has the group been so in demand for appearances at civic and school functions. The band played for a large number of such affairs

including a concert at the Waterworks park; leading Hallowe'en and Pet parades; National Education Week at the Coliseum; Indoor Circus; and "M" Club banquet featuring "Bo" McMillan. In addition the band furnished music for several pep sessions at the Coliseum, preceding outstanding football games and as is their custom played for all the basketball and football games including the two professional games sponsored by the Kiwanis Club and the American Legion. Early in the fall a concert was presented at a convocation period and music was also provided for the Armistice Day Program.

During May Music Week, together with other musical organizations of the school, the band gave a concert. Among the selections played were: "Raymond Overture", Thomas; "Echoes from the Metropolitan", Tabani; "Pique Dame", overture, Suppe; "Coronation March", Wagner. There were also selections in lighter vein, several of these being played for the first time in Marion.

ORCHESTRA MAKES SEVERAL PUBLIC APPEARANCES THROUGHOUT YEAR

Marion High School may well be proud of its concert orchestra which, under the capable direction of the director, Lloyd DaCosta Jones, has proved itself one of the outstanding musical organizations of that type in the state. With a personnel of fifty members and with the assistance of outstanding wind and percussion students from the concert band the group mastered a large repertoire of classical and semi-classical numbers. During May Music Week the orchestra played several numbers at a piano concert held May 8 at Memorial Coliseum. The same week the group accompanied the combined glee clubs of the high school in the presentation of the beautiful cantata, "The Rose Maiden," by F. H. Cowan. The entire orchestra concluded music week with the presentation of a concert held in the Memorial Coliseum. Numbers which were included on the program

were representative of musical compositions of all the different countries. All of the numbers were excellently interpreted and demonstrated the technique and musical ability of the members and the conductor.

One of the outstanding organizations within the orchestra was the string ensemble. The members were Kathryn Gabriel, Liberta Stephenson, Mary Ellen Beals, violins; Joseph Davis and Gardner Thomas, Jr., cellos; Richard Davis, viola; Beryl Lou McCoy and Ruth Anna Thomas, piano. This group appeared over seventy-five times at civic clubs, church meetings, and before many other civic groups. The orchestra was unable to compete in the state band and orchestra contest this year but plans are being made to enter both the band and the orchestra next year.

DRAMATIC DEPARTMENT PRODUCES MANY PLAYS

Marion High School's dramatic season started out this year with a new pilot at its helm. Miss Mary Prickett, recent graduate of DePauw University and an alumnus of Marion High School, took the position as dramatic and speech instructor.

Miss Prickett appointed Ralph Erlewine as stage manager for the year and Mark Ballard was named as stage electrician.

In the organization of the dramatic classes there was to be actual experience both in acting and stage construction for those interested in drama. This plan was begun by the presentation, early in the school year, of a one-act farce, "The Man in the Bowler Hat," by A. A. Milne. The students of one of the English Eight classes comprised the cast. The play was a cleverly written farce dealing with the experiences of an ordinary couple who had never had anything thrilling happen to them. The principal parts were carried by James Murphy, Robert Horner, Maxine Heshner, George Thomas, Beverly Hoffer, Willard Blackman and Mark Ballard. The play, being one continuous laugh, was well received by the student body. Favorable comments on the play were heard from all sides.

Following the Cactus Frolic in October, attention turned toward the first three-act play of the year. The fast moving, highly entertaining comedy, "Tommy," seemed to fit the requirements of acting and staging, so it was announced as the first large production of the drama department.

There was widespread enthusiasm among the students and quite a number came to try out for the play. Those that were not used in the play found work enough on the stage set. Many nights were spent in rehearsal and planning the production. An elaborate stage set was constructed. On the nights of November 14 and 15 the play was presented. Large crowds each night voiced hearty approval of the play and it was voted a huge success by everyone.

As soon as the set for "Tommy" was down, work began on the annual Christmas play. The first act of Channing Pollock's "The Fool" was selected for this occasion. The first act was complete in itself. It had as its theme the courageous attempt of a young man, an assistant rector in a fashionable New York church, to live like Christ. It depicted the trials that he met and the temptations that he had to overcome in order to carry out his ideal. In the play glimpses of each character's ambition were definitely pointed out. One could see the greed on the part of some that affected Mr. Gilchrist in his attempt to live like Christ. The play moved with impressive solemnity to its climax. The audience was deeply thrilled by the lasting impression that was re-

ceived when the final scene faded away behind the dropping curtain. The Ministerial Association of Marion arranged to have the play presented to the combined churches of Marion on December 23. A large crowd voiced the opinion that it was the most successful Christmas play of recent years.

Following work on "The Fool", Miss Prickett set three of her second semester English Eight students to work on a clever one-act comedy, "The Deceivers." This play was worked into shape to be given about town at the various clubs.

"Skidding," a three act comedy by Aurania Rouverol, was selected as the Senior Play for 1935 by Miss Prickett.

The cast and the characters they portrayed are as follows:

Ralph Erlewine played Judge James Hardy, one of the leads of the play. His wife, Emma was played by Catherine Zike. Wilma Lankford took the part of Marion Hardy, the Judge's daughter. William Hooper had the part of Wayne Trenton, III, a wealthy New Yorker, who is in love with Marion. The comedy lead in the play was played by Robert Miller when he portrayed the younger son, Andy. One of the best character roles in the play was handled by Robert Parker as Grandpa. William Roesler had an outstanding character to portray in Oscar Stubbins, the campaign manager of the Judge. Glendora Lemon took the part of Etselfe, one of the married daughters of the Hardys. Margaret Connors played Myra, the other married daughter. Elta Mae Shultz had the character part of Milly, the unmarried sister of Mrs. Hardy.

The plot of the play centers around the election of Judge Hardy, who for twenty years has had the third district court of Idaho. Marion Hardy comes home to announce that she has fallen in love with a young man who likewise has expressed his affection for her. However Marion has some speaking ability and is offered an opportunity to join a speakers club in Washington. Wayne Trenton, the young man with whom she is in love, however, thinks the woman's place is in the home and Marion is resigned to her fate. She later finds that her father's political speaker has walked out on him. Immediately she offers to take his place and complications begin to arise. Domestic trouble is predominant when the married sisters leave their husbands and come home. The Judge finds himself in a terrible fix and to top it all, news comes that he has lost the election. The audience suffers along with the Judge as he struggles to right matters. Andy, the younger son, keeps the audience in an uproar of laughter throughout the play. Every character in the play is very definite and all parts are excellently written.

THE FOOL

The first act of Channing Pollock's "The Fool" was selected as the Christmas play because it was felt that it would give the students a chance to do something really difficult along the dramatic line.

That the church should be a power in live issues and problems is the devout belief of Daniel Gilchrist. However, he confronts the ever-present barricades of petty prejudices, mercenary ambitions, and short-sighted brotherhood.

In "The Fool" we glimpse each character's ambition—his star of Bethlehem—neither of these purposes blends with the ideal of young Gilchrist—to lead a Christ-like life.

Can a man live like Christ? Men throughout the ages have wondered at this beautiful ideal. Many have scorned it, some have seriously contemplated it, only a few have conscientiously attempted it. The fervent one desires to prove to himself and others the beauty of true living. And it is this Star of Bethlehem which continues to shine—"afar off." Such is the theme of the play.

There were numerous character parts in the play that gave a chance to many of the students to show their acting ability. The part of Daniel Gilchrist was excellently carried by Jack Davis; Clare Jewett, the girl in question, was well portrayed by Betty Cochrane; Jerry Goodkind, a dissipated young millionaire, was excellently done by Ralph Erlewine; Elmer Smith did a fine piece of acting as Doctor Wadham, the rector of the

New York church; Mrs. Gilliam, a rich society lady, was played by Glendora Lemon; Elta Mae Schultz played the part of Mrs. Tice, one of the Four Hundred; Mrs. Thornbury, a rich widow, Deborah Hale; Daffodil Gilliam, a young flapper, Wilma Craig; Mr. Barnaby, church sexton, George Milford; George Goodkind, millionaire, George Thomas; Charlie Benfield, a self made man, Jerome Savesky; A Poor Man, a voice from the shadows, William Hooper.

Tommy is a little reluctant to do anything as rash as this, but peculiar circumstances arise and Tommy is found sitting on the front door step with the words echoing in his ears, "Get out and stay out. I don't want you ever again to enter this house by that door." Things happened so rapidly

that the audience was carried away by the hilarious scenes that followed.

All members of the cast were making their first performance on the high school stage in a school play. Robert Parker gave a fine performance as Tommy. Marjorie Starrett played opposite him as Marie; Dave Tuttle, the compromising uncle, was played by Ralph Erlewine; the comedy parts of Mr. and Mrs. Thurber, as played by William Roessler and Ruth Carr, kept the audience laughing uproariously throughout the play; Bernard, the third member of the eternal triangle, was played by Jerome Savesky; Judge Wilson was played by Robert Gorman; the character of Mrs. Wilson was excellently handled by Glendora Lemon; and William Lugar played the part of Willie.

ATHLETICS

ORVILLE J. HOOKER

Coming to Marion at the opening of school last fall, Orville J. Hooker more than proved his coaching ability by the outstanding football and basketball teams that he produced this year. His football squad was, without a doubt, among one of the best that Marion High School has ever had, while his basketball team can be ranked as a close competitor to the Giants of 1926, who won the state championship.

Hooker's athletic career began while he attended Anderson High School where he played on the football, basketball and baseball teams, receiving awards in all three sports. He was especially outstanding in basketball and was given the rating of All-State forward on a team listed in Spalding's Athletic Guide. He graduated from Anderson High School in 1920, taking with him numerous other athletic awards and honors.

He entered Butler University the same year and, on a larger scale, repeated his high school

athletic career. There, he again engaged in football, basketball and baseball and, as in high school, he was awarded letters in all three sports. When yet a sophomore, Hooker was chosen captain of the basketball team and, after playing in the National A. A. U. Tournament at Kansas City, he was given a berth as forward on an All-American Basketball Team chosen by several well-known sport critics and sport writers.

In 1924, Hooker accepted a position as basketball and baseball coach at Pendleton. The following year, he went to Newcastle as head coach where he remained until he came here. During Hooker's very successful nine year stay at Newcastle, he produced many fine teams, sending basketball teams to the State Tournament three times. The acme of his career there was his 1932 state championship basketball team. The following year, his baseball team won twenty consecutive games, being undefeated throughout the entire season.

RONALD JACOBSON

Coach Ronald Jacobson, having finished his ninth year as an assistant coach here, has proved to be a valuable asset to the high school's coaching staff. He has assisted in the coaching of every football, basketball, or track team since 1926, the year he was made assistant coach. He also is in charge of McCulloch Junior High School's athletics.

Jacobson graduated from Marion High School in 1923 and entered Indiana State Teachers' College the next year. By attending college during the summer months only, he graduated in 1930. Because of injuries, he was unable to join in varsity competition during his high school and college careers.

O. C. NAUGLE

Coach Naugle's value to the athletic system here was shown by his excellent track team and by the assistance he gave to Hooker in coaching the football team. Coming to Marion at the same time as Coach Hooker, "Jerry" Naugle was made head track coach and assistant football coach.

Naugle graduated from Bloomfield High School in 1917 where he was awarded letters for

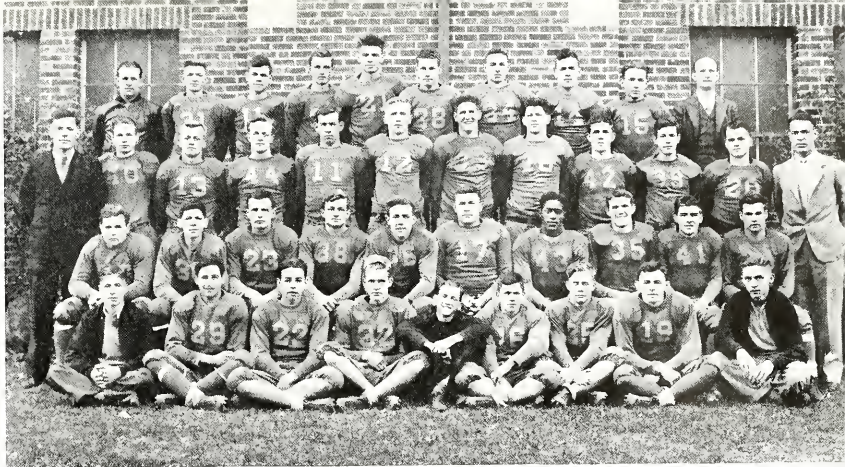

football, basketball and track. He then entered Franklin College and while attending there, he received awards for football, track, and baseball. In 1922, after graduating from Franklin College, he accepted an offer to coach football, basketball, and track at Jasonville where he remained for five years. In 1927, he entered Indiana State Teachers' College and, following his graduation from there in 1928, he became head coach at Elwood.

MYRLE RIFE

Along with the coming of Coach O. J. Hooker and Coach O. C. Naugle last fall came a third coach, Myrle Rife. Rife, coming to Marion from Sweetser, was made assistant basketball coach and placed in charge of Martin Boots Junior High School's athletic program.

Rife attended Lagro High School, graduating in 1924. While a student there, he played on the varsity basketball squad for three years. He graduated from DePauw University in 1928 where he received a freshman basketball award. Rife also took extra work at Manchester College.

Coach Rife coached basketball at Russiaville in 1928 and at West Middleton in 1929. In 1930, he signed a contract to coach at Sweetser where he remained until coming to Marion.

FOOTBALL SQUAD HAS SUCCESSFUL YEAR

With the addition of three new coaches and the return of nine football lettermen, football practice started August 17. The returning lettermen were; Conner, Chambers, Duncan, Fox, Gunyon, Marshall, Trueman, Weatherly and Yeager. Coach Hooker, aided by the return of these nine players from last year's team, successfully introduced a new system of play to the squad, a single wing back style.

The Giants won eight of nine games played,

losing only to the Muncie Bearcats, winners of the Big Ten Conference. As a result, Marion, having entered the Big Ten Conference this year, ended in second place.

The first game of the season, played September 14, was with Plainfield. Rallying late in the third quarter and early in the fourth, the Giants scored two touchdowns and one extra point to win by a 13-0 score. Both touchdowns were scored in the last quarter, the first being made when Conner

plunged over from the two yard line. Yeager's place kick for the extra point was good. The other counter came a short time later when Yeager caught a pass to score.

The next week the Kokomo Wildcats, the first conference foe for the Giants, came to Marion. In this game the Giants pushed over two touchdowns and Yeager kicked one extra point to count up a 13 to 0 victory. It was not until the middle of the fourth quarter that Marion was able to take advantage of a scoring chance. After the team had plunged and passed its way down the field to the one yard line, Jim Conner went over for the first touchdown. The second touchdown came when Trueman tossed a pass to Yeager on the goal line. This ended the scoring for the night placing Marion at the head of the Big Ten Conference football standing.

Playing the latter part of the game in the rain and mud, the Giants chalked up their third victory on September 28, by defeating the fighting Vikings from Huntington. All scoring by the locals was done in the first half. Willard Chambers scored the first touchdown, dashing 85 yards after intercepting a Viking pass. Conner made the second and third touchdowns, plunging over the goal line after the ball had been worked well down the field. Weatherly dashed around end to score the fourth counter, ending Marion's scoring for the evening. At the opening of the second half, Huntington pulled a surprise attack and before the Giants could get adjusted, the ball was over the goal line. The Viking's try for the extra point was no good. Soon afterwards, the rain started and the teams were content to battle it out in midfield. The Giants scored only one extra point of four attempts, making the final score: Marion, 25; Huntington, 6.

Going to Elwood on October 5, the Giants went up against the best team they had played. The first part of

the game was played mostly in Marion territory with Elwood trying in vain to gain through the staunch Marion line. In the latter part of the game, the Giants, taking the ball on their own 36 yard line, began a march goalward. With the aid of a "flea-flicker" pass which netted 24 yards, they succeeded in pushing the ball over for the first and only score of the game. The try for the extra point was unsuccessful. The final score was: Marion, 6; Elwood, 0.

Seeking their fifth consecutive victory, the Marion Giants entangled with Logansport on October 12, and emerged with a 25 to 0 victory. Conner started the scoring when he snatched a pass out of the hands of an opponent and galloped 70 yards to the goal, Weatherly having made the way clear by blocking out two "Loganberries." The next score resulted from a line buck by Conner. Pence, a substitute fullback, went over for the third Giant score and Yeager's placekick was good for the extra point. A short time later, Trueman crashed through the line for the last touchdown after which Coach Hooker sent in substitutes to finish out the game.

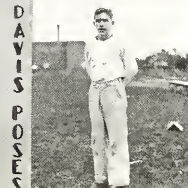

Scoring in every quarter and completely outplaying their opponents, the Giants swamped the Anderson Indians to the tune of 34 to 0. A pass from Trueman to Yeager was good for the first score. The next score came when Gunyon blocked a punt and Yeager scooped the ball up to go over the goal. Then, on a run from punt formation, Conner scored. Trueman made the next touchdown on an off-tackle play. In the closing minutes of the game, Duncan, intercepted a pass and, aided by some fine blocking by Marshall, ran 65 yards to score.

Stopping every threat that Peru offered, the Giants won by a score of 19 to 0. This made the seventh consecutive victory for Marion. The game was marked by rough tac-

tics and many penalties were inflicted. Sutton scored the first touchdown on a plunge through the line. In the second quarter, a pass from Trueman to Yeager put the team again in scoring position and Trueman plunged over the goal for the second touchdown. The last score was made by Conner when he crossed the goal line in the third quarter.

The strong Muncie Bearcats administered the first and only defeat of the season to the Giants. Led by Jack Young, outstanding fullback, the Bearcats won by a 19 to 0 score. Although the Giants stopped two Muncie drives very near the goal line, the Bearcats gained their point on power plays taking advantage of the fact that they were a much heavier squad. This was the only afternoon game of the season for Marion.

The Giant's final game of the season was with the Wabash Apaches, Marion's long time rival, and the Giants emerged with a 14 to 0 victory. During the first quarter, Weatherly blocked an Apache punt and Murphy, snatching the ball from the air, scored. The next score came as a result of another blocked punt, and the ball going out of bounds on the ten yard line. A pass from Trueman to Chambers was good for the touchdown. The try for the extra point was good in both cases. As the result of the game, the Victory Bell remained in possession of Marion for the fourth consecutive year.

At the close of the season, the players voted Jim Conner honorary captain of the team for the year. Members of the squad that received football awards were: Albright, Blake, Chambers, Conner, Doyle, Duncan, Flanagan, Fox, Gunyon, Marshall, Murphy, Shodlouski, Sutton, Thomas, Trueman, Weatherly, Winters and Yeager. Of this group, Blake, Marshall, Shodlouski and Winters will return next year to carry the purple and gold colors to victory.

TEAM MAKES REMARKABLE RECORD

A very successful football season coming to a close, the basketball squad of Marion High School began practice. Returning members of the team were Conrads, Trueman, Thomas, Yeager, Weatherly, Fox, Flanagan, Chambers and Gunyon. Claude Hewitt and Joseph Davis were added to these nine to make the first team. Assisted by Coaches Rife and Jacobson, Coach Hooker proceeded to mold a winning combination from this group.

The season opened with a double header with Van Buren and Jonesboro. The Giants won both games. In a very close game the Giants defeated Wabash 20 to 18 on November 28. On Friday night of the same week Kokomo came to Marion and won by the scant margin of 21 to 20. The next week the Giants invaded the lair of the hard fighting Tipton team and won 18 to 14. Going to Anderson, the locals again showed their power and overcame the Indians by the score of 33 to 30. On December 14, the Giants played Hartford City's Airdales and defeated them 29 to 19.

Led by Chambers and Thomas, Marion gained a victory the next week from Auburn, winning 36 to 19. On December 26 Anderson came to Marion to play the Giants and succeeded in winning the game by a 25 to 23 score. The next week the Giants showed a reverse of style and defeated the Kokomo Kats 16 to 13.

On the following Monday, three teams came to Marion to engage in a Tourney of Champions. These teams were Connersville, Frankfort, and Martinsville. Marion and Martinsville played the first game and Marion won by the score of 24 to 16. Connersville took the second game, defeating Frankfort 29 to 17. In the final game of the tourney Marion defeated Connersville 18 to 12.

Traveling to Hartford City, the Giants vanquished them by the score of 17 to 9. Hammond came to Marion the next night, and in one of the fastest games the locals had played during the season they were defeated, 26 to 24. Again Coach Hooker led his Giants to a victory, this time over the Elwood Panthers. The final score was Marion 23, Elwood, 15. The next week the Giants battled the Delphi Oracles and defeated them 28 to 16. The following game also proved to be a victory for the Giants winning over Huntington by a 38 to 29 score. The next game was with Wabash

at Wabash, and the Marion supporters backed the team by taking a special train. As the final gun cracked the score stood Marion-17; Wabash-20.

On February 1, North Side of Fort Wayne came to Marion to play the Giants and met defeat by the score of 28 to 14. The next Giant foe was Alexandria whom the locals also vanquished 28 to 19.

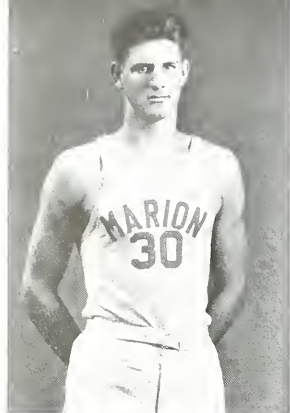

Traveling to Huntington, the Giants again won, 44 to 32. Next to the last game of the season for the Giants was against Newcastle, a conference foe. The Giants were defeated after trailing at the half 22 to 4. In the last half the Giants made 15 points to Newcastle's 4. But the game ended with Newcastle winning 26 to 19 in a very rough and tumble game.

The eight teams entering sectional tourney included Fairmount, Jonesboro, Gas City, Jefferson Township, Van Buren, Sweetser, Swayzee, and Marion. Marion won the championship, defeating Fairmount in the final game.

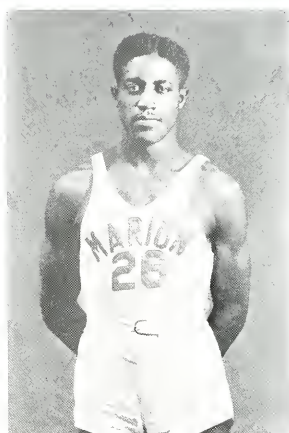

The following week Marion entered the regional and in the second game of the tourney Marion met Wabash. The game was close and two overtime periods had to be played before Wabash won 28 to 27.

Graduating members of the squad are: Trueman, Fox, Davis, Yeager, Gunyon, Hewitt, Flanagan, Weatherly, and Conrads; Thomas is the only one to return next year. At the end of the season Thomas was elected the most valuable player on the team by the other members of the squad.

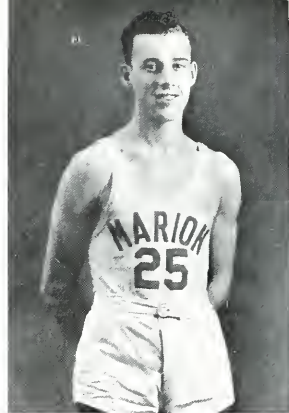

Next year's team will be smaller than this year's squad but it will probably be faster. The squad will be composed of most of this year's second team along with Thomas of the first team. Don McFarland, Charles Shodlouski, Charles Maggart, Charles Winters, Paul Hyatt, Charles Odom, John Murray, and Floyd Smith are some of the prospects for the squad. All of these boys have had experience on the second team and during the spring practice showed their worth on the basketball floor. This team will face one of the hardest schedules that any Marion team has ever faced, since they have to play the best teams in this section. They have to play thirteen Big Ten Conference games which include all of the conference teams.

SECOND TEAM MAKES ENVIABLE SHOWING DURING THE BASKETBALL SEASON

Under the direction of Coaches Hooker, Jacobson, and Rife, the Little Giants had a season better than the average, winning about two-thirds of the games they played. The team members, who were either Juniors or Sophomores, were Ernest Usher, Charles Winters, Charles Shodlouski, Addie Marshall, Charles Odom, Charles Maggart, John Murray, Paul Hyatt, Robert Swope, Ralph Vogel, Charles York, Floyd Smith, Myron Raquet.

The Little Giants defeated Wabash in the first game of the season but lost the second game to Kokomo by a close margin. Following this, the "B" team won five consecutive victories, defeating Tipton, Anderson, Hartford City, Auburn, and Anderson, then were again defeated by Kokomo and suffered two more losses at the hands of Hartford City and Cadiz. Incidentally, the Cadiz game was played against their varsity squad and

Marion was ahead until some lucky shots for Cadiz in the closing minutes of play turned the tide.

The next week, the second string administered a sound beating to Elwood followed by a similar one to Delphi. In the next game Huntington emerged victor and three days later, Wabash avenged their defeat by doubling the local's score. The next three games were Little Giant victories with North Side Ft. Wayne, Alexandria, and Huntington at the short end of the score in their respective games. In the following game the locals met with defeat from Newcastle but ended their season with a decisive victory over Muncie. Since most of the first team men graduate this year this second team will become the varsity squad next year and will try to carry the purple and gold to better and higher victories.

INTRAMURAL PLAY PROVES SUCCESSFUL UNDER NEW PLAN

This year, intramural basketball was under the direction of Coach "Jerry" Naugle as per Naugle's contract. The league was made a success largely through his efforts and his interest in the work, though the fine spirit and cooperation of the boys participating aided him considerably.

Coach Naugle introduced a new plan of play, having two leagues, one for the smaller boys and one for the larger boys, instead of one as in previous years. This proved to be a great success as it made teams in each league more evenly matched, making the games more interesting for the players and all others concerned. As there were two leagues, it was necessary for a tournament to be held in each league and the two winners matched in a final game to determine the intramural champions. The officiating throughout the season was done entirely by boys who wished some experience along that line.

In the Fish League, that for the smaller boys, the final game was played between the Mudcats and the Carp with the Mudcats winning. The

members of the Mudcats team were Davis, captain; Ball, Ward, Gift, Applewhite and Weatherly. In the final game in the Animal League, that for the larger boys, the Wildcats defeated the Camels. The Wildcats team was composed of the following boys: C. Moore, captain; L. Moore, Hardin, Russell, Prichard, Townsend and Reed. These two finalists met and the Wildcats, being larger boys, won, making 31 points to the Mudcats 10.

This year, each member of the 1935 Intramural Champions received an award, a small statue of a basketball player, made possible by the High School Athletic Association. A similar award was presented to Ancil Stevens, selected by Coach Naugle as the player of most value to his team.

TRACK SQUAD EXHIBITS SKILL AND SPEED AGAINST MANY STRONG TEAMS

Coach O. C. Naugle sounded the call for track aspirants the first of March and fifty boys responded. Among these were Paul Hyatt, Karl Herzog, Jim Conner, La Verne Burke, Ralph Vogel, and Jim Murphy, lettermen of the squad. The practice for the first two weeks was given over to calisthenic drills and running. Because of the large number of boys, it was difficult to teach each one separately so group work was established. The first meet of the year was the State Indoor meet at Indianapolis. Coach Naugle entered eight men in the meet, namely: Hyatt, Herzog, Conner,

Burke, Vogel, Murphy, McFarland, and Smith. This group of boys won eight points including a first in the mile run by Burke in 4 minutes 47.4 seconds, a third in the 440 yard dash by Hyatt, and a fourth in the mile run by Vogel.

Alexandria came to Marion on April 4 for a dual track meet and was defeated by the one sided score of 88 to 27. The locals won ten of the thirteen events, scoring slams in the broad jump and the shot put. Probably the best performance of the day was in the mile run when

Burke won it in 4 minutes 45.5 seconds to set a new school record. Other firsts were won by Hyatt in the 100 and 220 dashes, Conner in the pole vault and 220 yard hurdles, McFarland in the high jump and the broad jump, Burke in the half mile, Murphy in the shot put, and the Marion team in the half mile relay.

The next week the squad went to Anderson to engage in a dual meet and was defeated by the score of 62 to 50. Marion proved to be strong in the field events but was not so good in the track events. The locals won all of the field events and the half mile relay to score their five firsts, with Anderson winning the rest of the events.

After this the Giants went to Kokomo to enter a three way meet with Kokomo and Anderson. The final score was Kokomo, 65; Marion, 30, and Anderson, 22. The only first places that

the locals got were in the broad jump, shot put, and the high jump. Hyatt gave the best performance with a jump of 20' 9 1/2" in the broad jump.

Then on April 23 the county schools came to Marion for the Annual Grant County track meet which Marion won by the score of 51 1/2 to 40 1/2 for Fairmount, 16 for Jonesboro, 4 for Swayzee, 3 for Gas City and 2 for Jefferson Township. Marion won seven of the thirteen events including both relays. Marion won the meet trophy and two cups for winning both relays. The only county record that was broken was in the shot put which was won by Murphy of Marion who put the shot 47 feet 9 inches to beat the old record of 46 feet 5 1/2 inches held by Maloy of Jonesboro. Vogel of Marion won the half mile run, Burke the mile run, McFarland the broad jump, and Palmer the quarter mile dash.

TENNIS TEAM ORGANIZED FOR FIRST TIME IN SEVERAL SEASONS

WALTER J. TUCKER

This year's tennis team, coached by Walter J. Tucker, is the first team organized to represent Marion High School since 1928. That year both boys' and girls' teams were organized under the direction of Coach Tucker.

At the opening of school last fall, several boys reported for tennis. Although no matches were

scheduled for that time, plans were made to have a representation at the Big Ten Conference meet held at Muncie. Elimination trials were held to see who would go to the meet. John Warfel and John Prichard journeyed to Muncie but the match was called off on account of rain.

This spring, practice began in the first part of April. Due to the fact that the tennis courts were not yet opened, practices were held in the high school gymnasium and the coliseum. After two weeks of indoor practice, workouts were held on the hospital courts where all of the home matches were played.

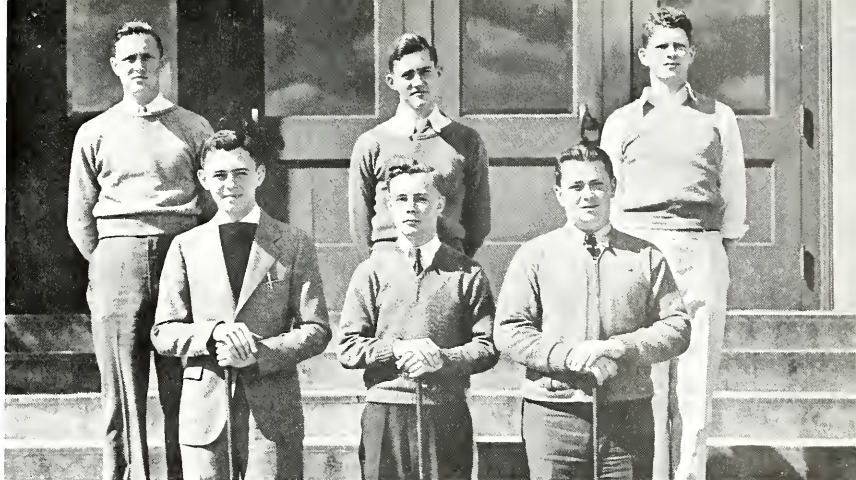

The tennis squad's schedule was made up of meets with South Side of Fort Wayne, Anderson, Muncie, and Huntington. In general the tennis team accompanied the golf team to all of the schools having tennis teams.

The following persons reported for tennis this spring: Joseph Davis, Richard Davis, Jack Bookout, John Warfel, John Prichard, William Roessler, William Lugar, and Robert Parker.

1935 GOLF SQUAD MEETS STRONG TEAMS DURING SUCCESSFUL SEASON

Under the coaching of Walter J. Tucker, the 1934 golf squad won every match, being the third high school team to do this in the last five years. The team was composed of the following members: Charles Conrads, Gene Sparks, Jack Mooney, Robert Pecong, Frank Gartland, and William Blake. During the season this squad defeated the golf teams of the following high schools: Central of Fort Wayne, South Side of Fort Wayne, Wabash, Huntington, and St. Mary's, our squad being the only team to beat St. Mary's on her own golf course. With the exception of Huntington High School who canceled their match here, each team was beaten twice, once in a match here and the other time in a match there. In the state meet held at Indianapolis on the Speedway course, the Marion squad finished eleventh. In the same meet Charles Conrads finished third with a score of 79.

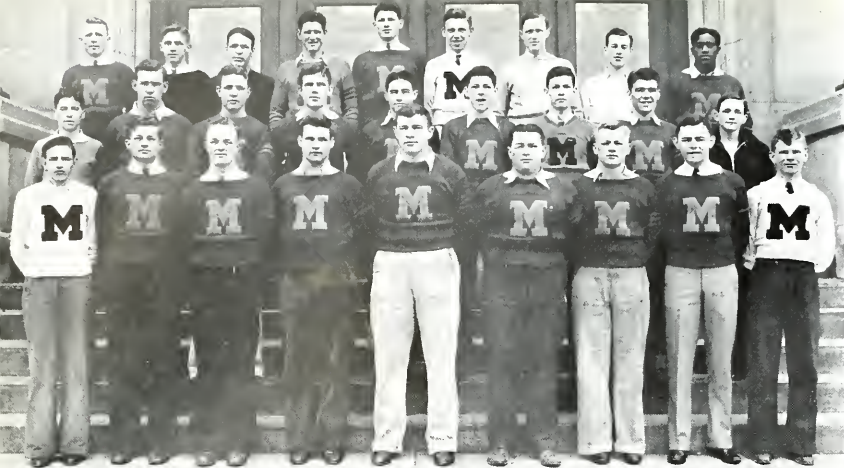

This spring, golf practice started at the same time as tennis. The team coached by Walter J. Tucker, held its practices on the new J. A. C. course where all of this season's meets were to be played. The squad's schedule consisted of meets

with South Side of Fort Wayne, Wabash, Anderson, Muncie, and Huntington. A match with Kokomo scheduled to be played April 17, was canceled on account of lack of practice. Members of the Marion squad were George Thomas, William Hooper, Frank Gartland, William Blake, Charles Conrads, and William Doyle.

In the past, Marion high school has produced many fine golfers such as Jack Mooney, William Osburn, Don Humes, Willard Charles and John Teegarden.

Mooney, one of the Marion High School players who could be depended upon to win points, played on the varsity squad for three years. At the present, he is playing on the Michigan University freshman golf team. William Osburn of the 1933 golf team now has a position on Indiana University's varsity golf squad.

Don Humes, while a freshman in high school won the city golf championship and remained champion for two years. Humes was the first and only Marion High School golfer up to the present time to hold an I. H. S. A. A. golf championship.

Top Row—Shodlouski, Jack Davis, Orville Hooker, coach; Yeager, G. Thomas, Joseph Davis, Conrads, H. Thomas, Weatherly.

Bottom Row—Burke, Sutton, Murphy, Gunyon, Marshall, Doyle, Fox, Blake, Herzog.

“M” CLUB HAS LARGE MEMBERSHIP OF M. H. S. ATHLETES

Marion High School's "M" Club which is composed of all of the boys who have ever earned an "M" in high school athletics was led this year by Gilbert Sullivan. Other officers of the club are Vice-president, Fred Lenox; Secretary, Carl Reed; and Treasurer, Joseph Doyle. The way that a boy may become a member of the "M" club is to win a letter in one of the major sports. These letters are honorary tokens given the boys by their school showing the school's appreciation of the boys' service on the athletic teams of the high school. It has always been difficult to win a letter and the boy after he has won one is proud of the award and cherishes it always. At present the club is composed of one hundred fifty-nine members including men who graduated as early as 1896 up to the present time.

A permanent clubroom was established this year at the coliseum and was furnished with chairs, tables and a radio. This room is to be used by the club members and is to be used for their comfort and pleasure. The club has sponsored several activities this year including a dance after the Ander-

son football game in honor of the team. Then later they had a Thanksgiving dance. They also had a banquet for the football team at the end of the season at the coliseum. The banquet was open to the public and approximately six hundred people attended. The principal speaker of the evening was Coach "Bo" McMillan of Indiana University and entertainment was provided by the English classes of the high school.

The "M" club of the high school at the present time is composed of all of the boys who have earned letters in track, basketball, football and golf. In track to earn a letter a boy has to get at least fifteen points in competition or qualify for the state meet. In basketball the boy must be certified for the tournaments. In football, the boy is awarded a letter at the discretion of the coach. Also the managers of each sport are awarded letters but not sweaters. This year they made a new ruling that the sweater will be awarded to the person the year he earns it whether he is an underclassman or not. Heretofore they have waited until the senior year to give the awards to the athletes.
